

WASHINGTON STATE FORESTRY BIBLIOGRAPHY
Oregon State College School of Forestry Senior Forestry Papers
(published between 1820-1945)
53 titles

Overview

This bibliography was created by the University of Washington Libraries as part of the *Preserving the History of U.S. Agriculture and Rural Life Grant Project* funded and supported by the National Endowment of the Humanities (NEH), Cornell University, the United States Agricultural Information Network (USAIN), and other land-grant universities.

Please note that this bibliography only covers titles published between 1820 and 1945. It excludes federal publications; articles or individual numbers from serials; manuscripts and archival materials; and maps. More information about the creation and organization of this bibliography, the other available bibliographies on Washington State agriculture, forestry, and fisheries, and the *Preserving the History of U.S. Agriculture and Rural Life Grant Project* for Washington State can be found at:

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: Senior Forestry Papers, 1820-1945 (53 titles)

1. Blackerby, Louis. ***Tree selection method of harvesting timber in the Douglas fir region.*** 1939. (55 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 52-55).
2. Buffington, Collier. ***Development and use of power saws in felling and bucking on the Pacific Coast.*** 1943. (30 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes mounted photographs./ Includes bibliographical references (leaf 30).
3. Burnett, George L. ***Erosion and forestry.*** 1934. (53 leaves, bound).
Note: From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948.
4. Burwell, Dave. ***A study in organization of the summer force of the Clemon's Tree Farm.*** 1942. ([30] leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [30]).
5. Byrd, Alvin. ***Grazing or forestry for logged over lands of the Douglas Fir Region.*** 1941. ([22] leaves, bound).
Note: Includes mounted photographs./ Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves [21-22]).
6. Cannavina, A. D. ***The economic situation of the white pine blister rust in the Pacific North West.*** 1923. (12 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [13]).
7. Colee, Edwin B. ***The Yacolt burn: a case study in forest rehabilitation.*** 1942. (38 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 38).
8. Congdon, Edward. ***The application of silviculture to Douglas fir of the Pacific slope.*** 1938. (60 leaves, bound).
Note: Includes mounted photographs./ Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 58-60).
9. Cooper, R. L. ***Visibility mapping.*** 1937. (12 leaves, bound, ill. ; 28 cm.).
Note: Includes mounted photographs./ Typescript./ Copy 2 lacks photographs and

figures./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948.

10. Cummings, Laurence J. ***The human factor in the lumber industry***. 1927. (17 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [20]).
11. Cummins, E. Ellis. ***Electricity in the woods***. 1931. (26 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948.
12. Fox, Charles W. ***Economic factors affecting stumpage prices with special reference to northwest stumpage***. 1927. (25 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [26]).
13. Froude, Carl. ***A comparison of the blower type kiln, the cross-circulation kiln, as designed by Moore Dry Kiln Company, and the cross-circulation kiln as designed by Herbert Fryer***. 1941. (49 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 48-49).
14. Gallo, Tommy L. ***Lumber sales in the Pacific Northwest***. 1940. (78 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 67-68).
15. Hall, Heath. ***Slash disposal in the Pacific Northwest***. 1938. ([17] leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 16).
16. Harrison, Lyle. ***Labor in the Pacific Northwest lumber industry***. 1940. ([44] leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [44]).
17. Hayman, Merton F. ***A survey of private or bureau log scaling practices and problems in the Columbia River Douglas Fir Region***. 1939. (35 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 35).
18. Holbrook, Gordon. ***Logging plan for Green River Logging Company***. 1943. (25 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior

27. Minoggie, Edward L. ***Slash disposal in the Douglas fir***. 1939. (23 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 23).
28. Minton, James Lewis. ***Physical and economic factors regarding the possibility of producing rayon in the Douglas fir region***. 1937. (15 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [16]).
29. Morin, Claude O. ***Natural versus artificial reforestation in the Pacific Northwest***. 1933. (24 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 24).
30. Ostlind, Jack. ***Silvicultural control of the western pine beetle***. 1939. (16 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 15-16).
31. Palmer, M. A. ***The application of forest fire insurance to the Douglas Fir region***. 1939. (44 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 43-44).
32. Phelps, William S. ***The forest problems of the Pacific Northwest and industrial self-regulation as their solution***. 1941. (53 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 50-53).
33. Philbrick, J. R. ***Rate of decay in dead and down material***. 1934. ([28] leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [28]).
34. Pieper, Paul S. ***Utilization of sawmill waste in the Pacific Northwest***. 1926. (13 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 13).
35. Prescott, John S. ***Engineering problems of waterfront construction in the Northwest logging industry***. 1942. ([58] leaves, bound).
Note: Typescript./ Includes mounted photographs./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 30).

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: Senior Forestry Papers, 1820-1945 (53 titles)

36. Richen, Clarence W. ***The application of Article X to forestry in Oregon and Washington.*** 1935. (33 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 31-33).
37. Scott, Floyd W. ***Fire : its ultimate importance in the management of Douglas fir forests of the Pacific coast.*** 1938. (40 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaves 37-40).
38. Semmler, Bill. ***The problem of slash disposal confronting the logging operator in the Douglas fir region.*** 1940. ([37] leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [37]).
39. Snyder, Robert Michaels. ***Electric logging in the Douglas fir region.*** 1937. (31 leaves, bound, ill. ; 28 cm.).
Note: Includes mounted photographs./ Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948.
40. Starker, T. J. ***Logging : a thesis on the methods and cost of logging as carried on in the Northwest.*** 1910. (19, [9] leaves, bound, ill., map ; 28 cm.).
Note: Typescript./ Caption title./ Includes mounted photographs./ From the Oregon State College School of Forestry collection of senior forestry papers, 1910-1956.
41. Stevenson, John Renfrew. ***Relative rates of decay of lopped and unlopped Douglas fir slash.*** 1937. (27 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 27).
42. Stoebig, Robert. ***The Douglas-fir charcoal situation in the Pacific Northwest.*** 1941. (26 leaves, bound).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf 26).
43. Taylor, Ernest. ***An analysis of the labor situation confronting the lumber industry of the Pacific Northwest today.*** 1938. (47 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior forestry papers, 1914-1948./ Includes bibliographical references (leaf [48]) and index.
44. Tippner, Edwin. ***Fire prevention and protection in the Douglas fir operations of the northwest.*** 1940. (31 leaves, bound ; 28 cm.).
Note: Typescript./ From the Oregon State College School of Forestry collection of senior
